Review Test, p. 549
Editing Test 2, p. 595
Editing Test 3, p. 596
The Essay: Outline, Introductory Paragraph,
Supporting Paragraphs, Concluding Paragraph

You may turn in pages from your textbook. To do so is easy since the pages are perforated. However, when you are required to do a writing assignment, do so on loose leaf paper. Also, double space and write in black or blue ink. In the top right corner of your paper, write your name, date, and page number of the assignment.
